

Download Brown And Sharpe 1440 Manual

PLEASE NOTE: VintageMachinery.org was founded as a public service to amateur and professional woodworkers who enjoy using and/or restoring vintage machinery. Our purpose is to provide information about vintage machinery that is generally difficult to locate. VintageMachinery.org does not provide support or parts for any machines on this site nor do we represent any manufacturer listed on this ...It looks like Brown and Sharpe changed this mill a lot in the seven years from 1939 to 1946, as there are 4 versions of this same model that I know of in those years. You might try these guys, it looks like this is the parts manual for your machine. Thank you for your interest in Brown & Sharpe, a product line of Hexagon Manufacturing Intelligence. Through a network of local service centres, production facilities and commercial operations across five continents, we are shaping smart change in manufacturing to build a world where quality drives productivity. Brown & Sharpe GLOBAL Silver Advantage unique flexibility with various probe and software configurations, models for the measuring room as well as for the production floor, and a variety to suit a broad palette of applications – the choice is yours with the Brown & Sharpe GLOBAL Silver.
