

Download Military Aviation Accident Guide

Military Times Crash Database, Fiscal 2011 through 2018. Military Times has obtained updated data to report on every major aviation accident that has occurred during the past year. In aviation, an accident is defined by the Convention on International Civil Aviation Annex 13 as an occurrence associated with the operation of an aircraft, which takes place from the time any person boards the aircraft with the intention of flight until all such persons have disembarked, and in which a) a person is fatally or seriously injured, b) the aircraft sustains significant damage or ... The Military Aviation Authority is responsible for the regulation, surveillance and assurance of the defence air operating and technical domains. MAA is part of the Ministry of Defence and the ... Rescue Safety Guide Like any disaster, an aircraft accident may require actions that do not fall into a predictable pattern. When in doubt, take the course of action your own experience, training and judgement dictate in order to minimize the
