Finally, they closed the old city dump and built a new solid waste landfill outside of town. With the town's new image, it needed a new name, and Recycle City was born. Travel around Recycle City and find out what folks here are doing to reduce waste and make the environment better. This worksheet uses the EPA's Recycle City website to learn about materials that can be recycled. The worksheet reads like a scavenger hunt where readers visit areas of the site to find answers. Find 5 questions and answers about working at RECYCLE CITY. Learn about the interview process, employee benefits, company culture and more on Indeed. Create a word document that answers the questions stated in the Process section. You will be using Recycle City to find the answers. Recycle City's main map is divided into 4 sections (NW, NE, SW, SE). Each section has its own buildings and many buildings have different rooms that can be explored!
