A Dad's Guide to Pregnancy: Month 9 The childbirth classes are over, the nursery is ready, the baby clothes folded, so now you wait. A Dad's Guide to Pregnancy – First Trimester. Guys tend to stumble through a pregnancy with whatever they can glean from skimming their partner's books on the subject (and even then, usually just the captions to the pictures). However, there are a few things that men need to consider at the start of the road leading to the baby's birth. This is when many parents get a first glimpse of the baby and take home a sonogram snapshot for the baby's album. Sometimes ultrasound is used earlier in pregnancy to screen for birth defects or if a doctor suspects a problem. Ultrasound at 20 weeks can also reveal the baby's sex.
